# Resolution Opposing LB 1109

**Approved by the UNL Faculty Senate via Email Vote February 2016**

**Whereas**, the University of Nebraska-Lincoln is committed to the principle of shared governance, and

**Whereas**, the selection of campus and university system leaders is a matter of high importance to all faculty, staff, students and alumni of the university and all citizens of Nebraska; therefore be it

**Resolved** that the Faculty Senate of the University of Nebraska-Lincoln opposes LB 1109 as a measure that would restrict information about candidates for positions of system president and campus chancellors beyond what current law allows and make impossible meaningful participation in the selection process by those who would be most affected.
